

Foodservice Equipment
for **SCHOOLS**

Founded in 1951, Cambro® has become the leading plastics manufacturer for the foodservice industry. Beginning with the original Camtray®, Cambro has continued to innovate and develop products that have become the industry standard. From storage containers to insulated food transporters to portable food bars, Cambro has focused on offering foodservice operators the tools to provide the safest and freshest meals.

Mission Statement

Cambro offers durable and versatile products that allow school foodservice operators to provide safe, fresh and healthy meals.

SNA Patron

Cambro is proud to be a supporting partner of the School Nutrition Association.

StoreSafe

Cambro is committed to providing foodservice operators with products to help meet HACCP guidelines. Cambro food storage products are designed to help keep food fresh and reduce cross contamination. Camshelving® is easy to clean and provides a sanitary storage area. Cambro insulated transport and merchandising equipment maintain food temperatures to safely hold and transport food.

Versa Food Service System

Non-Electric
Made for capacity and durability, these front-loading pan carriers hold full, half and third size food pans. Thick foam insulation allows for safe food temperatures to be maintained for hours so that hot food stays hot and cold food stays cold.

4

Non-Electric Pan Carriers

a

- a. — **UPC400** Holds four 4" (10 cm) deep full size food pans.
Available with built-in casters. Stackable with UPC/UPCH400.
Overall dimensions W x D x H: 18" x 25" x 24 1/8"
(46 x 63,3 x 62 cm)

b

- b. — **UPC800** Holds eight 4" (10 cm) deep full size food pans.
Overall dimensions W x D x H: 20 1/2" x 27 1/8" x 54"
(52 x 69 x 137 cm)

c

- c. — **UPC1600** Holds sixteen 4" (10 cm) deep full size food pans.
Overall dimensions W x D x H: 28 3/4" x 33 3/8" x 54 1/8"
(71,5 x 82 x 135 cm)

d

- d. — **CMB1826** Holds up to 24 each 18" x 26" (45,7 x 66 cm) sheet pans or twenty four 13" x 18" (33 x 45,7 cm) sheet pans.
Overall dimensions W x D x H: 25 1/4" x 33 3/8" x 59 3/16"
(64 x 86 x 150,5 cm)

e

- e. — **CMB1826L** Holds up to 12 each 18" x 26" (45,7 x 66 cm) sheet pans or twelve 13" x 18" (33 x 45,7 cm) sheet pans.
Overall dimensions W x D x H: 25 1/4" x 32 5/8" x 37 3/8"
(64,5 x 82,8 x 95 cm)

Electric

Perfect for frequent opening and closing, the heated carriers extend hot food holding time and ensure food safety. These carriers hold a wide variety of foods such as pasta, bone-in fried chicken and double-crusted pies. H-series carriers have a 3 minute recovery time and can be plugged into a truck using an inverter unit.

Electric Pan Carriers

a

- a. — **UPCH400** Holds four 4" (10 cm) deep full size food pans.
Available with built in casters. Stackable with UPC/UPCH400.
Overall dimensions W x D x H: 18 1/8" x 26 3/8" x 24 1/8"
(46 x 67 x 63 cm)

b

- b. — **UPCH800** Holds eight 4" (10 cm) deep full size food pans.
Overall dimensions W x D x H: 20 1/2" x 27 1/8" x 54"
(52 x 69 x 137,2 cm)

c

- c. — **UPCH1600** Holds sixteen 4" (10 cm) deep full size food pans.
Overall dimensions W x D x H: 28 3/4" x 33 3/8" x 54 1/8"
(73 x 84,7 x 137,5 cm)

d

- d. — **CMBHC1826LF** Holds up to 11 full size sheet pans or eight 4" (10 cm) deep full size food pans. Goes from keeping foods hot at 150-165°F (63 to 74°C) to cold temperatures below 40°F (4°C) with a flip of the switch.
Overall dimensions W x D x H: 30 1/2" x 42" x 42 3/8"
(78 x 107 x 108 cm)

e

- e. — **CD400** Holds UPC/UPCH400 units.
If stacking two units, use with safety strap.
Overall dimensions W x D x H: 26 3/8" x 20 3/4" x 9"
(53 x 70 x 23 cm)

Food Bar
Whether you're looking to maximize space, improve traffic flow, add merchandising space or create an upscale salad bar, the Versa Food Service System has you covered.

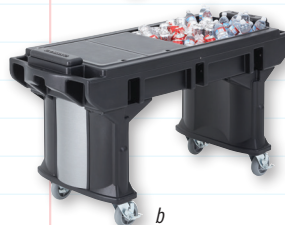

NSF

Versa Food Service System

a

- a. — **Versa Food Bar™**: 5 or 6 feet (152 or 183 cm)
The main component of the system is versatile and mobile. Sneeze guards fold down for easy cleaning, transport and set-up. Sneeze Guards are compliant with 2011 NSF Requirements. *Available in standard and children's heights. Available with standard or heavy-duty casters.*

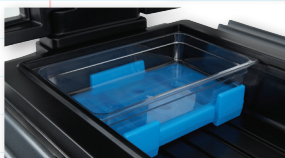

b

- b. — **Versa Work Table**: 5 or 6 feet (152 or 183 cm)
This multipurpose table works overtime as a prep station or the ideal place for holding cold beverages and snacks. *Available in standard and children's heights. Available with standard or heavy-duty casters.*

c

- c. — **Versa Cart**: Holds electrical equipment such as a computer or check-out terminal. Adjustable shelf can hold a printer. Front panel makes electrical access convenient and security cable anchor keeps electronics protected. Tray rails easily adjust to a lower height. *Available with or without tray rails. Available with standard or heavy-duty casters.*

d

- d. — **Buffet Camchillers®**: Extend safe, cold holding time without ice. Dual-sided Buffet Camchillers hold 2 ½" (6,5 cm) and 4" (10 cm) deep pans. *Fit perfectly in the Versa Food Bar and Versa Work Table. Color: Cold Blue (159).*

See the Versa Food Bar in action and Build Your Own Versa Bar at www.cambro.com/VersaFoodBar.

Portable Kiosks & Vending Carts

- a. — **CVC724:** Counter wells hold 4 full size 6" (15 cm) deep pans. Each closed compartment accommodates 6 full size 4" (10 cm) deep pans.
Overall dimensions L x W x H: 74 1/2" x 31 3/4" x 94"
(189 x 81 x 239 cm)

- b. — **CVC72:** Center well holds 1 full size 6" (15 cm) deep pan with 2 outer wells measuring L 22 1/4" x W 15 3/8" x D 6" (56 x 39 x 15 cm). Each closed compartment accommodates 6 full size 4" (10 cm) deep pans.
Overall dimensions L x W x H: 74 1/2" x 31 3/4" x 94"
(189 x 81 x 239 cm)

- c. — **CVC55:** Counter well holds 1 full size 6" (15 cm) deep pan.
Overall dimensions L x W x H: 55 1/16" x 31 1/4" x 93 1/2"
(140 x 80 x 238 cm)

Kiosks & Carts

Increase revenue opportunities away from cafeteria and reduce wait times. Durable and long-lasting, the Camcruiser® Vending Cart is perfect for sporting events, fundraisers and many other functions. All models include an umbrella and the display panel can be customized with your school logo.

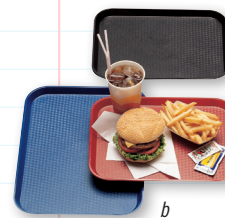

Trays

Cambro trays have been a staple of school cafeterias for over 50 years and consistently earn high honors for durability and reliability. Cambro offers trays for any need and any budget.

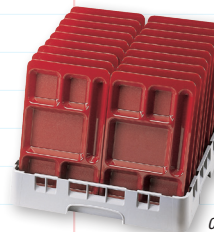

School Trays

- a. — **2 x 2 Compartment Trays:** Fit 18, side-by-side in a standard full size peg rack. Available in virtually unbreakable polycarbonate and budget-friendly co-polymer. Up to 10 color choices available. 8 3/4" x 15" (22,2 x 38 cm)

- b. — **Fast Food Trays:** Perfect for self-serve or quick-serve meals. Attractive textured surface hides scratches. *Personalization available.* Up to 14 color choices. Available in 10" x 14" (26,5 x 34,5 cm), 12" x 16" (30 x 41 cm), 14" x 18" (36 x 46 cm)

- c. — **Full Size Peg Camrack®:** When used with a 2 x 2 compartment Tray, a school can save money and water. Can accommodate 18, 2 x 2 compartment trays. *Personalization options available.* Overall dimensions L x W x H: 19 3/4" x 19 3/4" x 3 1/4" (50 x 50 x 8,2 cm)

SHELVING

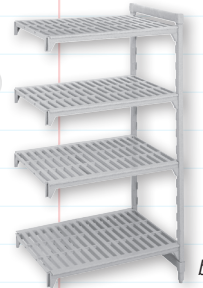

Easy to set-up and adjust, Camshelving is the perfect solution for safe food storage. Camshelving offers mobile and stationary units that feature easy to clean shelves and a rust-free construction. High-density units provide maximum utilization of space by eliminating aisles.

Camshelving®

- a. — **Starter Unit:** The foundation to a safe and sturdy storage solution. Available with solid or vented polypropylene shelf plates. Easy to adjust traverses and post kits are included. Available in several length and width configurations.

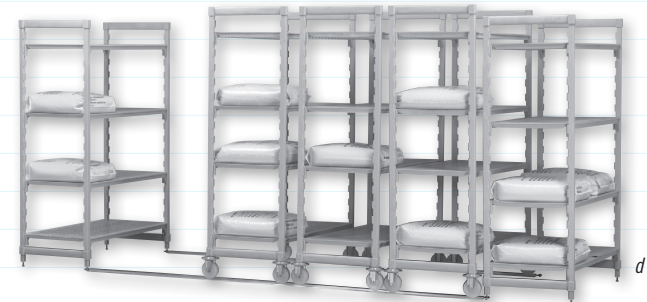

- b. — **Add-On Unit:** Used to maximize storage space, these units quickly and easily attach to an existing Starter Unit. Available in straight, corner and U-shaped units. Available in several length and width configurations.

- c. — **Mobile Unit:** Use to quickly transport items from storage to kitchen prep area and back to storage. Available in several length and width configurations. Optional caster bumpers protect mobile camshelving.

- d. — **High-Density Unit:** Attaches to Starter Camshelving Units to create a perfect solution for schools with limited space. Floor track system provides safe and easy access to stored products. Available in sizes up to 14.5 feet (4,4 m).

Storage

- a. — **Food Boxes:** Extend the freshness of ingredients and eliminate points of cross contamination. SlidingLids™ provide easy access to contents, minimizing handling.
*Holding capacity range: 1.75 gallons to 22 gallons
(6,6 Liters to 83,3 Liters)*

- b. — **CamSquare® Food Storage Containers:** Maximize your storage space with interstacking square food storage containers. Choose containers made from durable polycarbonate, chemically-resistant translucent or budget-friendly poly. Available seal cover is spill resistant and reduces expense.
*Holding capacity range: 2 quarts to 22 quarts
(1,9 Liters to 20,8 Liters)*

- c. — **Round Food Storage Containers:** Interstacking round storage containers promote proper air circulation, ideal for stirring soups and sauces. Choose containers made from durable polycarbonate, chemically-resistant translucent or budget-friendly poly. Available seal cover is spill resistant and saves expense.
*Holding capacity range: 1 quarts to 22 quarts
(0,9 Liters to 20,8 Liters)*

- d. — **StoreSafe Food Rotation Labels:** Use to identify the date and contents of food storage containers. Labels completely dissolve in 30 seconds with hot or cold water, leaving no sticky residue which is a breeding ground for bacteria.
Available in a variety of sizes.

Storage

Maximize freshness and reduce waste with Cambro food storage solutions. Whether it's dry ingredients, soups and sauces, fresh fruits and vegetables, Cambro has the perfect choice for food storage.

Pans

Whether you're cooking with high heat pans, defrosting food with Camwear® colander pans, or transporting with economical translucent pans, Cambro provides a safe solution for all of your foodservice needs.

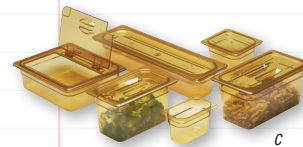

Pans

- a. — **Camwear Food Pans:** Made from durable polycarbonate that will not crack, bend or dent. Choose from full size to one ninth size pans with a variety of depths.

- b. — **Translucent Food Pans:** The economical choice for storing food. Translucent polypropylene material provides content visibility and high chemical resistance. Choose from full size to one ninth size pans with a variety of depths.

- c. — **High Heat Pans:** Reduce handling and save expense with one pan that can go from prep to cooler to oven to steam table. H-pans™ are safe for microwave ovens. Choose from full size to one ninth size pans with a variety of depths.

- d. — **Colander Pans:** Rinse, drain and store all in one pan. Available in durable polycarbonate and High Heat material. Choose from full size to one sixth size pans with a variety of depths.

- e. — **Food Pan Lids:** For any type of food pan and any application, Cambro offers lids ranging from flat to FlipLid® to GripLid® design. The molded-in gasket of a GripLid reduces spills during transport. FlipLids reduce points of cross contamination by allowing easy access.

A close-up, front-quarter view of a yellow school bus. The bus is positioned on the right side of the frame, with its front end facing towards the left. The background is a bright blue sky filled with soft, white, fluffy clouds. The bottom left corner shows a green grassy hill. The bus features a large black grille, a single headlight, and two side mirrors. The word "SCHOOL" is partially visible in black letters on the yellow body.
